About Our Preschool

Central Co-op Preschool has been part of Central Church's Children's Ministry program for over 50 years. We are a Christian Preschool and welcome all children of preschool age to attend. Young children learn by exploring, discovering and experiencing their environment. We provide formal and informal opportunities for our students to learn and explore new concepts and the world God has created.

We have a lead teacher, teacher's aide and a helping parent in each class. Parents schedule their days to help in the classroom. Depending upon class size, you may help every four to six weeks. On your helping day, you will bring the snack for the class and assist with the day's activities. The children eagerly await the day their parent gets to stay and help!

Please call and schedule a time to visit us.
We look forward to meeting you!
